FIRST ASSIGNMENT

The first class assignment is to read Sophocles, *ANTIGONE*, and Jean Anouilh, *ANTIGONE*. Both books will be in the Professional Bookstore. The editions we have designated are:

Sophocles, *ANTIGONE* (in THE OEDIPUS CYCLE, Harcourt Press, 1977), and

If you already own a different edition, you can use it instead.
We also want to remind you that attendance at the first class session, August 31, is mandatory, and attendance thereafter is as well absent some compelling conflict. The class depends on class participation.
We look forward to seeing you in the fall.
